

St Pius X Schools Parents' Association – 22nd February

School Yard improvements Questionnaire

We would welcome your input and creative ideas on improving the school yard. Many people have approached the Parents Association with ideas for the School Yard - we would now like to open the discussion to the wider Parent body and Staff body of St Pius X National School. We would like your response before end of business Friday 26th February 2010. Please respond either through email to stpiuspa@piusxgns.ie or in written form to either of the school secretaries and mark it for the attention of the Parents Association. Thank-you.

End of year Concert for Extra-Curricular Class

Please note the change of date for the end of year concert for extra-curricular classes run by the parents association including guitar, hip-hop, ballet, gymnastics and speech & drama will now take place **20th March in the School Hall**. Time to be confirmed - but students will be notified by their teachers within the extra-curricular class and it will also be uploaded on the Parents Association website – please see below. Also, please note that these classes do not continue into the 3rd term but **Swimming Classes continue until June**.

School Book Recycling Scheme

Given the economic condition and the financial pressure parents are under, the Parents Association are endeavoring to make things a little easier on every-bodies pockets next August/September. We are considering a School Book Recycling Scheme in conjunction with the schools. We would welcome all ideas and support for same. Please email: stpiuspa@piusxgns.ie

Please check our website for updates and news items pertaining to the Parents Association website: <http://www.piusxgns.ie/pa/parents.htm>
